

MUSEUM MANNERS AND TIPS FOR ADULT TOUR GROUPS

For the best possible learning experience, please read this carefully and go over the checklist with your group before you arrive at the Wichita Art Museum

- If you have scheduled a guided tour, the Education Coordinator will contact you before your visit to confirm your time and discuss the details of your visit to the museum. Please advise of any special needs or requests.
- Free parking for buses and cars is available in the parking lot on the west side of the museum, or across the street south of the museum.
- Wheelchairs are available. Inquire at the welcome desk. If you know of your need in advance, please call ahead, and they will have the wheelchairs waiting for you at the entrance.
- Photographs may be taken of the artworks in the galleries unless wall labels denote otherwise. The use of flash or tripods is not permitted.
- Please do not touch any of the artworks or lean against the walls or pedestals. As a precaution against accidental damage to the art, we ask that you stand at a safe distance.
- Please do not bring food or beverage into the galleries, and check-in large backpacks at the welcome desk.
- Look, ask questions, and tell us your ideas. Most importantly, have fun!
- Consider visiting our store or café. Stay connected to WAM on Facebook, Instagram, and check out our website. Please, come again! All visitors to the museum receive free general admission on Saturdays.
